

## **New CAEs**

Fifty-seven association executives earned their Certified Association Executive (CAE) credential from the CAE Commission of the American Society of Association Executives (ASAE). The summer 2010 class, who successfully completed the CAE examination on May 7, 2010, now joins more than 3,900 industry leaders worldwide who have achieved this mark of excellence. Less than five percent of association professionals hold the CAE designation.

These new CAEs will be honored along with the winter 2010 class of CAEs during ASAE's 2010 Annual Meeting & Exposition, being held in Los Angeles, August 21-24. For more details about the CAE exam, contact ASAE credentialing at 202-626-2759 or e-mail [caedep@asaecenter.org](mailto:caedep@asaecenter.org). A list of all current CAEs can be found at <http://www.asaecenter.org/AboutUs/CAEs.cfm>.
