- The Marketing and Communication Plan for promoting the new Tradeshow Meeting Technology is being followed according to plan. Several elements of the plan were reviewed.

Special Events:

Report from Carylann Assante

- Carylann reviewed logistics for the upcoming Annual Golf Classic and the Food & Wine Classic (both attached). She encouraged the IPA to participate in these events and to recommend them to their teams and industry colleagues.
- Carylann presented the idea of a “Post Party” at the Classic and the IPA confirmed that it was not needed at this event.
- The IPA offered to help sell tickets onsite and encourage participation. Carylann will put together a schedule. Please let her know when you are available between Saturday afternoon and Monday afternoon. There will also be a F&W Classic Lounge on the show floor.
- Due to the size of The Distillery, it would be helpful to have IPA members scheduled in certain areas to welcome guests. If you are available, please let her know.

IPA Fall Retreat:

Kevin Kamenzind

- Kevin outlined a plan for holding the Annual IPA Fall Orientation Retreat at a location and time that would parallel the M&E Section Council Meeting. The result is that IPA members would likely have two opportunities to interact with the M&E Section Council members providing a learning experience and increased ROI on the Fall Retreat. The committee approved the plan and asked staff to develop the details. At this point the retreat will be held in St. Petersburg, FL sometime between October 8th and 10th. Dates will be finalized in July.

Future Meeting Dates

- August 15, 2009 9:00 – 11:00 Toronto, Canada
- Fall 2009 Retreat To be confirmed in July
