

## New CAEs

Two hundred seventy eight association executives earned their Certified Association Executive (CAE) credential from the CAE Commission of the American Society of Association Executives (ASAE). The winter 2010 class, who successfully completed the CAE examination on December 4, 2009, now joins more than 3,600 industry leaders worldwide who have achieved this mark of excellence. Less than five percent of association professionals hold the CAE designation.

These new CAEs will be honored along with the summer 2010 class of CAEs during ASAE & The Center for Association Leadership's 2010 Annual Meeting & Exposition, being held in Los Angeles, August 21-24. For more details about the CAE exam, contact ASAE credentialing at 202-626-2759 or e-mail [caedep@asaecenter.org](mailto:caedep@asaecenter.org). A list of all current CAEs can be found at <http://www.asaecenter.org/AboutUs/CAEs.cfm>.
