

iMIS Association Software

Description:

Advanced Solutions International (ASI) is a leading global provider of products, programs, and services that help associations and non-profits improve operational and financial performance. ASI is the developer of iMIS EMS, the world's #1 association and non-profit software solution, and the only Engagement Management System (EMS)[™] – fusing database management and web publishing into a single system – leading to operational efficiencies, revenue growth, and continuous performance improvement. Harnessing the power of Microsoft Azure's cloud platform, iMIS EMS is purpose-built to meet the most important challenge facing associations and non-profits – Engagement.
