

Fonteva

Description:

Fonteva, a Salesforce Partner since 2010 and the number one Salesforce.org ISV, is committed to bringing the power of Salesforce to associations and membership-based organizations. The Fonteva platform for Associations delivers all the functionality expected of a typical Association Management System (AMS), with the ease-of-use and analytics of Salesforce, the world's #1 CRM, and much more. Engineered specifically for the needs of membership based organizations, Fonteva makes it easy to manage events, measure engagement, develop and nurture relationships, and drive collaboration. Combined with access to thousands of additional tools available on the Salesforce AppExchange nearly every task related to delivering your mission can be supported by the Fonteva Platform.
