# CommPartners (Elevate LMS)

Elevate LMS, CommPartners' award-winning learning platform for nonprofits and associations, provides a central knowledge community that drives engagement and collaboration. It supports curriculum development, certifications, informal sharing of knowledge, social learning, and live events. Elevate integrates seamlessly with most AMS or organizational databases as well as other applications such as social communities, content management systems, and financial software to allow for personalized learning journeys and ease of use. Each site can be customized to match any organization's current branding. Contact CommPartners today!
