OpenWater

OpenWater Virtual Conference acts like a hub for all of your conference needs while integrating with your AMS and other tools. We've helped all sizes of associations like ISPOR, AAG, and LSA take their conferences and meetings virtual. Below are some example product capabilities/features:

- Livestream
- Live Q&A
- Live Polling
- Networking Rooms
- Exhibitor Gallery
- Sponsor
- Session Evaluations
- Poster/Abstract Displays and Presentations
- Online Session Library
- Attendee Agenda Builder
- Population of Session Recording
