Personify

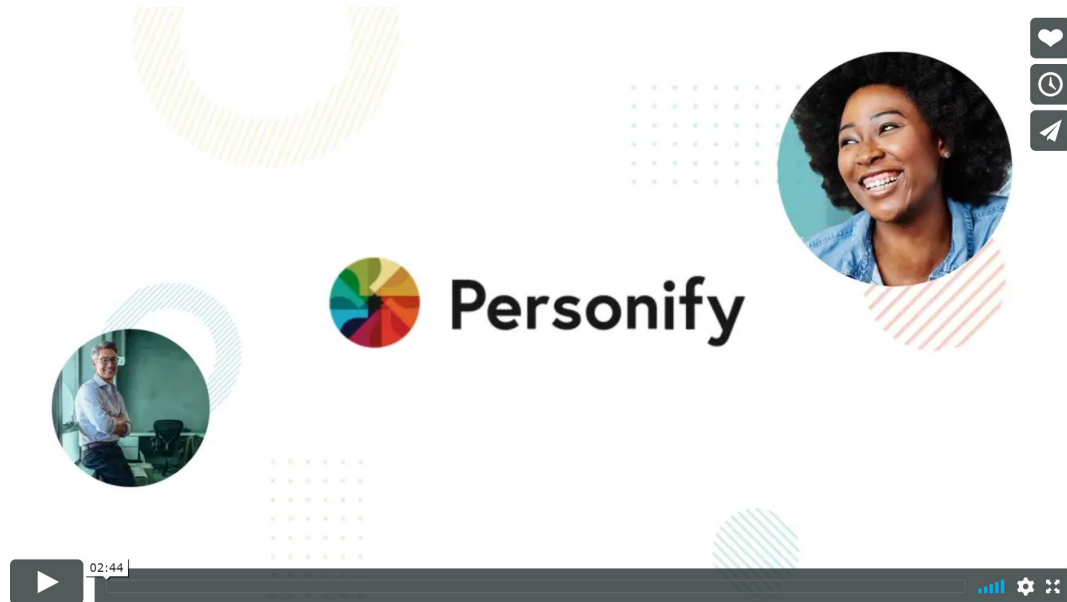

Bring People Together and Increase Your Impact with Personify's Virtual Events Tools

Virtual Conferences

- Broadcast live or share on-demand
- Deliver keynote and breakout sessions

Virtual Marketplace

- Let your attendees explore the expo hall without leaving their couch
- Virtual connection tools allow your members, exhibitors and sponsors to network, book meetings and appointments and share their latest innovations, products and virtual show specials.

Digital Community

- Deliver interactive and impactful digital experiences for your members
- Provide open forums and safe committee chat rooms, host live meetups, live stream, post on-demand content and support your continuing education programs for your constituents

Virtual Meet Ups

- Organize roundtables, virtual happy hours, committee meetings and other live events
- Keep your members informed and engaged during this time

Mobile Tools

- Engage your members year-round with mobile experiences
- Connect your members to your publications, posts and each other questions.
