

## Results Direct

Join our Results Direct | RD Mobile demo on June 29 from 2:30 - 3:00pm to hear how ISPIM, Johns Hopkins, memcom and others have successfully delivered their virtual events using the Eventsential platform.

Eventsential provides a unique solution to power Virtual, Hybrid, and Live Events of all types and sizes. Attendees can access your events from their desktop or mobile device and personalize their content/experience and engagement. Your organization can leverage a single platform to deliver your virtual events now and your hybrid and live events in the future.
